NOTES:

Moving into November and December, the *Season of Giving*, our focus will be using our talents to help others – volunteering.

There are a few activities on the November calendar that have not yet been confirmed. Those are indicated by an asterisk *. Once we have confirmation, a revised calendar will be sent home.

The movies this month will NOT be in a public theatre, therefore, no money will be necessary. In fact, there will be no extra money needed for any of the activities in November.

Just a reminder that this group leaves the Vision Mentors property by 10 a.m. each day and doesn't return until 1:45.

EXCEPTION: Mondays and Thursdays we'll leave by 9:15 as our volunteering project starts at 9:30 a.m.
